Greetings From The Pinnacle Project

All the members of the Pinnacle Project, LLC are looking forward to another fantastic Loch Lyme Lodge season and want everyone to know we continue to work both on building homes for the cohousing neighborhood and on keeping Loch Lyme Lodge the vibrant and wonderful place that it is.

Have a great year!

Time flies when you're having fun...

Dear Loch Lymer's—This year Jay and I enter our 10th year living within and running Loch Lyme Lodge. As we look back on those years we have so many wonderful memories of love, laughter, fun, and magic, which all happen here. Our goal from the beginning was to transform and grow the business but still keep that simple charm that we all know and love. From all of your wonderful comments we know that goal is being met as each year brings more improvements and more guests. What a pleasure it has been watching your children grow up along side our own Juliet who will be 13 in October!

When we arrived Juliet was

just 3 and we were not sure what we were getting ourselves into. While we had been coming to the area for many years to visit Jay's sister and her husband, who

both work at Dartmouth College, we were nervous about starting a new job, in a new town, meeting new people and all with a young child in tow.

Well, ever since those early days what we have felt most is great fortune to have chosen to work for LLL and live in the Upper Valley. We have been able to meet hundreds of interesting, friendly and down-to-earth people through Loch Lyme and our daughter gets to have a whole other group of people in her life that are her summertime friends.

We are filled with gratitude and are more excited than ever about welcoming a new season.

We look forward to seeing each of you, all of our guests old and new. We wish you happiness and health in 2016 and we hope and pray for peace on Earth.

Theater & Film Workshops 2016

Faith Catlin and her team of actors, directors, and cinematographers will once again be offering Monday to Friday workshops in the barn.

Workshops run 10 to 1 o'clock and culminate with a performance at 5 pm on Fridays. These are for kids age 8 to 16 and parents are welcome to join!

Look for registration forms at lochlymelodge.com in the spring.

Getting Married?

Know someone who is? We have held over 40 weddings here in the past 9 years and invite you to check out all the joys and benefits in creating your magical celebration at Loch Lyme Lodge.

Over the years there have been different logos for Loch Lyme Lodge. Last winter with the help of LLL guest and Pinnacle Project member Linda H., we re-designed the logo once again. One thing never featured in any of the other logos is one of LLL's greatest assets—Post Pond! So with that in mind we set out to find a design that incorporated all the elements we thought important. Of course we couldn't leave out Jay's Adirondack chairs or one of the treasured loons. Below you can see the full-sized version and the small version. We are thrilled with the results and thank our friends at Deerfield & Company who provided us with design guidance and who make our t-shirts, sweatshirts and hats each year. We hope you like the new look as well.

Sunday Buffet & Music and Movies

- > We're so happy to be bringing you another summer of music and great food with our Sunday Buffet and Music series. It's become quite a favorite with the locals and we're known to sell out—so sign up early!
- > The Nugget Theater in Hanover, is celebrating its centennial with a classic film run. On the 4th Sunday of the month at 1:30 they will screen a film from a different decade.

 The Graduate (1967) showing June 26th, American Graffiti (1973) showing July 24th, Raiders of the Lost Ark (1981) showing August 28th.
- > Built in 1950 the Fairlee Drive-in is one of America's few remaining drive-in theaters. Enjoy an evening watching movies from your car, eating at the snack truck and helping to preserve this local treasure. Www.Fairleedrivein.com
